

Chapter 6. List of Preparers

The persons listed in Table 6-1 were primarily responsible for preparation of this Final Environmental Impact Statement.

Table 6-1: List of Preparers

Name	Qualifications	Primary Responsibilities
<i>Federal Highway Administration (FHWA)</i>		
Janis P. Piland, P.E.	B.S. Civil Engineering, 30 years experience	Environmental Engineer/Document Review; Federal Compliance
William C. Byars	B.S. Civil Engineering, 20 years experience	Metropolitan Transportation Engineer/Document Review; Federal Compliance
J.D. Stevenson	B.S., Civil Engineering; 20 years experience	Planning, Environment and Right-of-Way Team Leader/Document Review; Federal Compliance
Yamilée P. Volcy	B.S. Civil Engineering; 10 years experience	CREATE Program Manager/Document Review; Federal Compliance
Matt Fuller	M.S., Civil Engineering; 14 years experience	Document Review; Federal Compliance
James Kyte	B.A., Political Science; 10 years experience	Realty Specialist; Document Review
Traci Baker	14 years experience	Civil Rights Specialist; Document Review
<i>Illinois Department of Transportation (IDOT)</i>		
Emily Kushto, PE, Ph.D	Ph.D., Transportation/Civil; M.S., Transportation/Civil; B.S. Civil Engineering; 11 years experience	CREATE Section Chief
Samuel Tuck III	B.S., Civil Engineering; M.S. Civil Engineering 21 years experience	Bureau Chief of CREATE and Freight Rail
Walt Zyznieuski	M.A., Environmental Studies; B.S., Geography; 33 years experience	Air and Noise Impact Analysis and Review; General Content Review
Jakita Trotter	B.S., Business Administration	CREATE Public Involvement
Jim Curtis	B.S., Geology and Geophysics; 22 years of experience	Special Waste Technical Review
Brad Koldehoff	M.A., Anthropology/Archaeology; B.A., Anthropology; 31 years of experience	Archaeological/Historical Coordination, Analysis and Review
John Sherrill	M.S. geography; B.B.A., Finance 20 years experience	Socio-Economic Analysis

HNTB Corporation (Program Management Consultant)

Ron Deverman	M.A., Literature/Creative Writing; B.S., Civil Engineering; 29 years experience in transportation planning and project development, Phase I engineering, and NEPA environmental studies; Certified Environmental Professional	CREATE Program Management Consultant (PMC) – Phase I engineering, environmental and public involvement support team leader
Adin McCann, PE	B.S., Civil Engineering; 15 years experience in transportation planning and project development, Phase I engineering, and NEPA environmental studies	CREATE PMC – Phase I engineering , environmental, and public involvement support
Michael P. Hurley, AICP	MUPP, Master of Urban Planning and Policy; B.A., Politics; 7 years of experience in transportation planning and project development	CREATE PMC – Phase I engineering, environmental, and public involvement support

Jacobs Engineering Group, Inc. (Phase I Consultant)

Tom Underwood	B.S., Sociology; M.S., Environmental Science; M.B.A. 20 years experience in transportation planning, project management and NEPA environmental studies.	Project Manager
Miles Cheang	B.A., Urban Studies; 7 years NEPA experience	Noise, Air Quality, and Energy
Kim Glinkin, AICP	M.A., Environmental Management; B.A., Economics; 23 years NEPA experience	Noise, Air Quality, and Energy
Michael Goldemberg, AICP	M.U.P., Urban Planning; B.A., Political Science; 9 years NEPA experience	Socioeconomic Analysis, Environmental Justice, Cumulative Impacts
Joe Leindecker, PE	M.S., Transportation; B.S., Civil Engineering; 36 years NEPA experience	Environmental Lead, Cultural Resources, Natural Resources
Marta Szewczyk	M.S., Environmental Science; B.A. Environmental Science; 10 years NEPA experience	Socioeconomic Analysis, Environmental Justice, Cumulative Impacts
Gretchen Wahl	B.F.A., English; M.F.A., English; 16 years Public Involvement experience; 3 years NEPA experience	Public Involvement
John Wirtz, PE, PTOE	M.S., Civil Engineering (Transportation); B.S., Civil Engineering; 9 years experience; 4 years NEPA experience	Deputy Environmental Lead, Transportation Engineering, Visual Impacts, Park Impacts
Denise Zerillo	B.A., Liberal Arts; 17 years NEPA experience	Public Involvement

Baker Engineering, Inc. (Phase I Subconsultant)

James Peyton, PG	B.A., Geology; 22 years of broad-based Environmental and NEPA experience	Project Manager, Special Waste
Kurt Weiss	M.A., Communications; B.A., English; 26 years of Technical Writing and NEPA experience	Technical Writer, Environmental Site Assessor

Tom Noble	Coursework in Mechanical Engineering; 42 years of Engineering and Environmental Assessment experience	Environmental Site Assessor, Field Observations
Margaret James, MBA, PMP	MBA, Business Management; B.S., Environmental Science; 14 years of Environmental services and NEPA expertise	QC Manager, Environmental Site Assessor
Mark Knight	B.A., Environmental Sciences; M.En., Applied Ecology; 34 years of broad-based NEPA and Environmental Remediation experience	Senior Review, Environmental Site Assessor
<i>Harris Miller Miller & Hanson Inc. (Phase I Subconsultant)</i>		
Timothy Johnson	B.S., Mechanical Engineering with Acoustics Concentration; 8 years experience	Vibration
Ruth Anne Mazur	B.A., Acoustics; 4 years experience	Vibration
<i>Ralph G. Moore and Associates, Inc. (Phase I Subconsultant)</i>		
Lance Foster	B.S., Accounting; 38 years business management, 22 years M/WBE Business Development, Employment and Public Involvement	M/WBE and local/minority employment program; Public Involvement
Jeanne Bloom	B.A., History; 26 years experience M/WBE and local/minority employment program development and 25 years public involvement experience	M/WBE and local/minority employment program; Public Involvement
<i>Nancy Seeger Associates, Ltd. (Phase I Subconsultant)</i>		
Nancy Seeger	B.A. Philosophy, English and Art Education; M.F.A. Sculpture and Painting; 26 years public involvement experience, 31 years writing, editing, and design of publications	Public Involvement
