

Union Construction Career Pathways Virtual Workshops

Join the **Chicago Region Environment and Transportation Efficiency (CREATE) Program** partners for the Union Construction Career Pathways virtual workshops taking place on Tuesday, August 24, 2021.

During the virtual workshops, attendees seeking careers in the rail and construction-related industries will learn from speakers about the educational and career opportunities and alternative pathways for employment.

Union representatives and organizations from various locals will be present including, but not limited to CISCO, Dawson Technical Institute, IBEW 9, Operating Engineers Local150, Chicago Laborer's District Council, and HIRE360.

Two (2) workshops are featured on Tuesday, August 24, and will be hosted through the online communications platform, Zoom. Please note that each workshop includes different topics, speakers, and panelists. Workshop agendas are provided below. Interested in attending? We highly recommend you to attend both very informative workshops.
